Clergy Day at the Capitol (above picture)

He himself gave some to be Apostles, some Prophets, some Evangelist, some Pastors and Teachers,

Ephesians 4:11

State Rep. Mike Glanton invited the Ministers of Clayton County to join him and other government officials at the Capitol to thank them for their service to our communities. Uniting families, collaborating on services for jobs, helping our homeless, and restoring one-self back to God.

Bottom picture: UFG Covering Our Veteran's Event where Clayton County Chief Magistrate Judge Wanda L. Dallas hands out a coat to a recipient for his son.

Right picture: Executive Director of UFG Evangelist Lisa George and Bishop Donald E. Battle of Divine Faith Ministries. Bishop Battle the guest speaker reminded the clergy what we were called to do. Also he encouraged the clergy to see how far we've come as a people and that God will finish the work He began in us and through us by faith.

Anthony Daniel Jr.

UFG has several events throughout the year for veterans and their families. These events are volunteer led. Anthony Jr. is upfront and center feeding the hungry. He's not your typical 10 year old, he preaches to youth groups at church, the captain and quarterback of his little league football team the Jets. Anthony was elected Class President of Woodland Elementary School. He's also a two-time poetry winner, he earned the Academic Excellent Award, the Citizenship Award, and Paw Pride Award. Anthony is Apiveo (Always Play IV Each Other) Athlete of the month. He is a very mannerable and humble young man. Hats off to you Anthony! WORKSHOPS

Group Sessions

There is a backlog of 1.2 million claims at the Veterans Administration. The VA application process remains complicated and adversarial. Veterans are not automatically enrolled in the VA, as many people think, when they finish their military service. They need help finding VA facilities, completing complicated applications, managing the application process and appealing rejected claims. Many Veterans who are disabled and unable to work due to war trauma are waiting months and years for benefits they were promised and have earned. This results in many Vets with significant financial problems that can end up homeless or worse.
